

## **“COLLEGE SHOWCASE” SOFTBALL ORGANIZATION**

### **ANNOUNCING PLAYER TRY-OUTS for 2012 SEASON**

**Currently searching for talented players with birthdate of 1995 or younger that have a goal to play college softball...**

The Intensity fast pitch softball club was formed in 2008. Our club emphasizes effort, teamwork, sportsmanship and hard work that will be required for our players to advance to the collegiate level and play college softball. This team is 100% committed to showcasing the individual talents of each player in front of college coaches as we are completely committed to attending all Major College Showcases in the south for our 2012 season as well as continuing to attend the Ronald McDonald Tournament, continue to scrimmage major Junior Colleges in our area and attending select national VTD and ASA tournaments! Over the past year we have competed in 6 ASA 18U Gold College Showcases in Dallas, Texas, played in the 2011 18U Ronald McDonald College Showcase in Houston, Texas where 175 college coaches attended and have scrimmaged LSU-Eunice. This schedule is planned in advance for the individual players on this team to play in front of college coaches which hopefully will result in them receiving a college scholarship to play softball...Each committed player has their own individual player profile which is sent out to their preferred colleges/university's prior to all showcase tournaments. Our coaching staff, with the addition of Greg Frazier, has the knowledge and established relationships with the college coaches and tournament directors to assist and advise in the recruiting process.

If interested in joining an organization committed to the individual player and increasing their chances of earning a softball college scholarship by playing with an established well know organization in some of the largest showcase tournaments in the South then please call Manager, Troy Fronzaglio at 318-489-3685.

**We are scheduling try-outs from now through the end of December and if interested in an individual work-out please contact Troy Fronzaglio prior to the end of the year!!**

**Intensity Manager...Troy Fronzaglio, Intensity Head Coach...Keith Woods**

**All team practices for 2012 season will be run by asst. coaches...Greg and Tiffany Frazier**

Major Club Accomplishments:

- 2010 Louisiana State Champions - USFA
- 2009 Louisiana State Runner-up - USFA
- 2009 & 2010 USFA World Series
